SCORING

The first team to get 21 points - or the highest score after 10 minutes, wins. If 21 points have not been scored in 10 minutes, the 2 players throwing will finish their throws. The team with the most points wins. In the event of a tie, the teams will continue until there is a clear winner.

A team earns 1 point for bags on the board - the bag cannot hit the ground and then bounce on the board or be touching the ground. Bags that hit the ground first must be removed from the board before play continues.

A team earns 3 points for bags that go completely into the hole. Bags that are hanging in the hole only counts for one point. If the opponent knocks your bag into the hole you still get the 3 points. Teams playing will keep their own score - in agreement with their opponent. If there is a question about scoring the round, the official will have the final say. Teams not complying with the official will be eliminated.

The score is the difference in team totals.

Payout - Entry Fees will payback 100% and number of places paid will be determined by the number of teams entered.
